FOR IMMEDIATE RELEASE

**CLEANTECH LAW PARTNERS OFFERS FREE CONSULTATIONS AT SOLAR POWER INTERNATIONAL CONFERENCE**

**Renewable energy law firm offers free 20-minute legal consultations with clean energy lawyers during SPI 2016**

SAN FRANCISCO (July 12, 2016) – Cleantech Law Partners (CLP), a full-service law firm dedicated exclusively to the legal and policy needs of the renewable energy industry, announced today that they will be providing free confidential 20 minute legal consultations to attendees of the Solar Power International (SPI) conference. The event will take place from September 12-15, 2016 at the Las Vegas Convention Center. CLP will be located in the Westgate Paradise Event Center, Booth W1135.

CLP's legal team will be available at the conference to discuss the legal challenges facing renewable energy project developers and solar companies. The law firm is popular among renewable energy clients because of its knowledge of the alternative energy industry, experience working on most solar matters, and its competitive rates.

Cleantech Law Partners' outside in-house counsel program offers clients a valuable alternative to hiring in-house general counsel. The service is hailed by renewable energy clients across the country. The monthly plan allows clients the freedom to access CLP's legal team without the anxiety of traditional hourly billing.

To schedule a complimentary appointment with a CLP attorney at SPI (booth W1135), please click here: <http://bit.ly/clp-spi>, or email: [schedule@cleantechlaw.com](mailto:schedule@cleantechlaw.com)
